### Membership Corner

Renew in 22!! 2022 that is! If you have not yet paid your dues for this year of 2022, see Kathy or Barb at the membership table at the next meeting. Dues continue to be \$25. What a good deal this is!! Consider inflation this past

year—4% up to more than 25%. Wow! That can hit the pocket book. BUT ~ not guild dues, which are the same as they have been for several years. Now you can't say that about most things. With classes, workshops, speakers, inspiration & friendships, it's a good investment in something that makes your heart happy. So join, or renew now.

Applications taken through March, then the roster will be updated with current members and available to members.

You can also renew by mail if that is more convenient. Send your current name, address, phone and email along with \$25, to NCW QUILT GUILD, Membership Chair, PO Box 2715, Wenatchee, WA 98807. Checks accepted, made out to NCWQG, and of course, cash!

### Comfort Quilts ~ 2022 New Chairs!

Sue Nash

Marcia Johanson

#### A Note from Louise Brown

Doni Palmgren and Lynn Pittsinger & I would like to thank everyone who generously donated their time & fabric to make our Comfort Quilts possible. We donated 169 quilts in 2021 and we have a little over 100 quilts in storage.

Your new committee chairs; Susan Nash & Marcia Johanson will be taking over. Again, thank you for being such generous Guild members.

Darlene Johnson

We had our first workshop in December in almost two years. The reversible table runner taught by Kathy Storr, it was enjoyed by all who attended.

The January workshop is the Feathered Star, taught by Jill Therriault. It is scheduled for Friday January 21, from 9 to 2 p.m. at the Eagles on North Wenatchee Avenue. *(See page 1)*

**February:** The February workshop will be the **Bitty Lone Star Quilt** made with quilt smart, taught by Diane Garlini . Diane will provide the quilt smart. The star is 36"

**When** ~ Friday, Feb 25th 9-2

**Where** ~ Eagles on the Avenue

**Quilt Studio:** Darlene plans to restart the **Quilt Studio** in February. It will be the first Thursday of the month from 9-10 at the eagles. I am hijacking Area 51's round robin time. The quilt studio is a chance to gather and ask question or share quilting ideas. In the past topics have included how to bind a quilt, pick the right batting, different ways to hand appliqué, different ways to hang a quilt. February's quilt studio will be sharing quilting faux-pas. Please be brave and come and share.

I am having trouble finding places to meet. If you know where I can schedule a workshop please let me know. I'm getting lots of "not available at this time" response to scheduling.

## Programs 2022

Happy New Year! Yes, there have been lots of reasons to kick 2021 (and 2020) out the door, but there have been some positives as well. We have had the strongest of excuses to stay home and craft/quilt to our heart's content. If we didn't really want to be out and about, no explanation was necessary. That doesn't mean we aren't ready for some "outside of the house" time. Our guild meeting is the perfect opportunity. It is a time to be with other like-minded souls, share some laughter, meet a few new people and re-energize our creative spirits.

**January:** Our program will be about embellishment opportunities and going beyond a quilt. We will look at using machine stitching to create a "ribbon" on a pillow, making pin-tucks, couching, bobbin work and other techniques to add interest to any item you create. Since it is the first meeting of the New Year, we will be allowing a longer show-n-tell session. Please bring your creations to share; it has been a while since we've gotten together and we need inspiration from each other.

If you have any ideas for a program that you'd like to see presented this year, please let me know.

My email is [Rubyjewel94@gmail.com](mailto:Rubyjewel94@gmail.com).

Looking forward to seeing you later this month and hearing from you.

Happy  
January  
Birthdays !!!

As far as our Round Robin... it is the combination of Sheep Thrills and Area # 51 as we are the leaders of both. With the COVID restrictions, we have been meeting at the Eagles (on Wenatchee Ave across from the Red Lion, and right behind Sumo restaurant). We meet every Thursday from 10 to 2. I call it Area # 51 as there are so many projects (UFO's) being worked on. An added benefit is that the Eagles kitchen is staffed by volunteers and most of the time we can get lunch, hot from the kitchen. Always exceptions...when it is so bitter cold, Cassie and I are opening our home to the group. All are welcome.
